3.9 Data management using Google Analytics related to measuring website traffic

3.9.1 People affected: All visitors of the webpage. The html code of the webpage operated by the data handler for web analytical measurements include links arriving from an external server and linking to an external server as well. The web analytics service provider handles data related exclusively to browsing that are no personal and cannot be used for identifying any individuals

3.9.2 Handled data include: The Google Analytics stores cookies – simple, short, small text files – on the computer, informatic device of all visitors and the attendance, use of the webpage are analysed with the help of those. Data related to the attendance of the webpage recorded in the cookie: data of the visit, IP address of the visitor, time spent on the webpage. The data handler applies the IP address masking function with which not the complete IP address only a part of it (the end) is recorded. An anonymous identifier is related to all visitors on the basis of which the working process of the users can be studied and events of related user changes can be collected as statistical basic data. The right of deletion and carry can be enforced (data can be deleted and listed on request from the user). For this the user has to give in his/her own browser the user identifier recorded by the cookie via the means stated in the guide.

3.9.3 Purpose of data handling: On behalf of the website operator Google Analytics uses the information to compose reports for the website operator considering the attendance and use of the webpage based on analysing the data and thus help the development of the website and the improve user satisfaction. Storage of cookies can be forbidden by the user applying the appropriate configuration of the browser. The user can also delete the cookies from his/her own computer or can install the Google Analytics disable browser extension. These options can be reached typically in the Setting / Data protection menu, depending on the browser type and version.

3.9.4 Legal basis of data handling: legal interest [accurate legal basis according to GDPR: Point f), chapter (1), article 6, GDPR].

3.9.5 Time frame of data handling: Data are deleted by every 26 months and can also be deleted or handed over upon user request.

3.9.6 Access rights: Colleagues of the organisation unit

4. Your rights and regulations related to applying rights

4.1 Right for being informed

Corresponding with chapter (1), article 15 of GDPR you can request information on personal data handled by WAV Centre, Chancellery, University of Debrecen. In this case the following information is forwarded to you (e-mail address, postal address) by WAV Centre, Chancellery, University of Debrecen:

- what personal data are stored;
- for what purposes;
- who personal data are forwarded to;
- timeframe of data storage and aspects of determining this timeframe;
- rights for which you are entitled in relation to data handling;
- the right for submitting complaint to the Hungarian National Authority for Data Protection and Freedom of Information.

4.2 Right for requesting a copy

Based on chapter (3)-(4), article 15 of GDPR you have the right to request a copy of the personal data stored by WAV, Chancellery, UD. In this case WAV, Chancellery, UD forwards the personal data stored to one of your contacts (e-mail address, postal address).

4.3 Right for rectification

Corresponding to article 16 of GDPR we modify and rectify your personal data at your request.

4.4 Right for deletion

In the case of data handling according to sub-point 3.4, corresponding to chapter (1), article 17 of GDPR you can request to delete published personal data.

4.5 Right for limitation

You can request limitation of data handling in the following cases:

- if you doubt the accuracy of personal data, data handling is limited until the WAV Centre, Chancellery, UD controls the accuracy of personal data;
- data handling is illegal and you reject the deletion of data and request the limitation of the use of data;

- WAV Centre, Chancellery, UD does not require the personal data any more but you request the data for submitting, validating or protection of legal demands; or
- in case you protest, data handling is limited for the time period the legality of your request is studied.

In your request for limiting data handling, please, state the reason for the request.

WAV Centre, Chancellery, UD meets the request so that personal data will be stored separately from all other personal data. For example, in the case of electronic data, they are saved onto external data storage devices while paper based documents are stored in separate folders.

4.6 Protest

You are entitled to protest – due to any personal conditions – against data handling carried out based on deliberation of justified interest. In this case, the WAV Centre, Chancellery, UD investigates data handling based on interest deliberation in your case and if your request is found justified, your personal data will be deleted. You will be informed on the investigation.

4.7 Common rules of applying rights

WAV Centre, Chancellery, UD completes your request within one month at the most, however, this deadline can be extended by two months at the most.

In case your request is rejected, WAV Centre, Chancellery, UD informs you on the reasons of rejection within one month of delivery of the request and also on that you can submit a complaint to the Authority or go to court.

WAV Centre, Chancellery, DE has the right to ask for information supporting the personal identity of the person in question if it has justified doubts regarding the person of the requestor. Such is the case when a copy is requested as the WAV Centre, Chancellery, UD has to make sure that the request is from the entitled person.

5. Your possibilities of applying rights

In case you consider the data handling of WAV Centre, Chancellery, UD not complying with the legal regulations you have the right to initiate a procedure at the Hungarian National Authority for Data Protection and Freedom of Information (Postal address: 1374 Budapest, P.O.Box: 603, e-mail: ugyfelszolgalat@naih.hu) or to go to court.

Debrecen, 8th October 2020.
